Your Excellency,

We are very grateful to this Great Nation, India, and its government for providing us

We are seeking to draw your kind attention the recent events in Sera Monastery,  
Bylakuppe, Mysore District, Karnataka Sate:

**April 3, 2008**

On Thursday, at 6 pm, the deputy commissioner of Mysore gave all parties concerned at  
Sera monastery twenty-four hours to reach an agreement. He gave two alternatives:

- 1 To conduct spiritual activities together, as you used to.
- 2 if not so, then one party conduct the spiritual activity first, and other party  
next

If any of these two alternatives are not able to be met, DC explained that there was no  
option but to close Sera Lachi and Sera-May monasteries.

**April 3, 2008**

Mr. Choedar has organized the anti-shugden movement since November 17, 2007. He
